

TRAVEL WITH PEACE OF MIND,  
PROTECT YOUR VEHICLE WITH

**EAGLE EXTENDED SERVICE  
PROTECTION CORPORATION**

COMPONENT	AVERAGE REPAIR
ROOF/CENTRAL AIR CONDITIONER	\$500 - \$2,000
POWER CONVERTER	\$400 - \$600
ELECTRIC STEP	\$250 - \$1,250
FURNACE	\$275 - \$900
WATER HEATER	\$250 - \$1,500
FUELING STATION	\$225 - \$875
MICROWAVE	\$245 - \$950
REFRIGERATOR	\$450 - \$2,200
WATER PUMP	\$225 - \$600
TELEVISION/DVD PLAYER	\$150 - \$1,000
POWER JACK	\$275 - \$2,100
SLIDE OUT	\$250 - \$3,300

**WHY CHOOSE EAGLE EXTENDED  
SERVICE PROTECTION CORPORATION?**

- Highly experienced, professional staff
- Questions & requests are handled in a timely manner

**COMPETITIVE COVERAGE**

- 4 different plans with competitive pricing to fit your needs
- Policies often pay for themselves in just one or two claims
- Selling your vehicle? Your contract is cancellable and transferable

**WE CARE ABOUT OUR CUSTOMERS**

- Claims adjusters are available 24/7
- Service approved at any repair facility in the U.S. or Canada
- 60-day money back guarantee

This brochure is for promotional purposes only; it is not a contract. Ask your authorized EESPC dealer for a complete copy of the actual service contract.

PLAN: EAGLE

**1. AIR CONDITIONING/HEAT PUMP/VENTILATION COMPONENTS:** accumulator, blower motor, blower motor fan, blower motor wheel, ceiling vent fans, compressor, condenser, ducts, duct work, electronic module, evaporator, expansion valve, heat strips, high/low cut off switches, pressure cycling switch, printed circuit board, receiver drier, relays, reversing valve, run capacitors, Schrader valve, start capacitors and the thermostat.

**2. AUXILIARY GENERATOR COMPONENTS:** Gasoline/L.P. Parts: all internally lubricated engine parts and the cylinder heads, engine block and the valve covers. Diesel Parts: same as Gasoline/L.P. Auxiliary Generator Parts plus the mechanical fuel injection pump, radiator and the water pump. Electrical Parts: alternator, coach inverter, coach inverter control panel, electric fuel pump, gauges, hour meter, inverter controller, manually operated switches, power converter, printed circuit board, rotor, starter, starter solenoid, stator, transfer switch and the voltage regulator.

**3. BRAKE COMPONENTS:** backing plates, electrical actuator, hydraulic actuator, master cylinder, self adjusters, springs and the wheel cylinders.

**4. ELECTRIC STEP COMPONENTS:** controller, gear, linkage, motor, printed circuit board and the switches.

**5. FRAME COMPONENTS:** motorized tongue jack, non-motorized landing gear, non-motorized stabilizer jacks and the non-motorized tongue jack. Mechanical Pop-up/Pop-out: cables, latch, lift crank and the pulleys.

**6. L.P. SYSTEM COMPONENTS:** automatic shut off, detectors, fittings, gauges, L.P. lines, L.P. tanks, pigtails, regulators and the valves.

**7. NON-HYDRONIC L.P. AND ELECTRIC FURNACE COMPONENTS:** blower motor, blower motor fan, blower motor wheel, burner assembly, ducts, duct work, fittings, gas valve, igniter, limit switch, printed circuit board, sail switch, thermocouple and the thermostat.

**8. NON-HYDRONIC L.P. AND ELECTRIC WATER HEATER COMPONENTS:** burner assembly, control panel, control switches, fittings, gas valve, heating element, igniter, pressure relief valve, printed circuit board, tank, thermocouple and the thermostat.

**9. ON BOARD FUELING STATION COMPONENTS:** check valve, handle, motor, pump, pump gears, switch and the tank.

**10. RANGE/OVEN COMPONENTS:** burner assembly, burner valves, fittings, heating element, igniter, induction cooktop, microwave convection oven, microwave oven, power hood fan, power hood fan motor, power hood fan switch, printed circuit board, thermocouple and the thermostat.

**11. REFRIGERATOR COMPONENTS:** burner assembly, compressor, condenser, cooling unit, evaporator, expansion valve, fan, fittings, heating element, igniter, printed circuit board, thermocouple and the thermostat.

**12. SUSPENSION COMPONENTS:** coil springs, leaf springs, spindle supports, spindles, wheel bearings and the wheel hubs.

**13. WASTE SYSTEM COMPONENTS:** ball valves, fittings, gate valves, holding tanks, holding tank flush valves, interior drain lines, macerator pump, non-powered slide valves, non-powered toilet, traps and the water inlet valves.

**14. WATER SYSTEM COMPONENTS:** ball valves, check valves, fittings, gate valves, holding tanks, interior supply lines, shower faucet, shower head, sink faucets, traps, water inlet valves, water manifold and the water pump.

**15. SEALS & GASKETS COMPONENTS:** seals & gaskets on parts which prevent the loss of fluids or refrigerants. Fluid seals must be leaking to an active drip.

OPTIONAL COVERAGE FOR PLAN: EAGLE

**16. AUDIO/VIDEO COMPONENTS (FACTORY OR DEALER INSTALLED ONLY):** AM/FM/satellite stereo, component CD/DVD player, driver observation cameras, LCD televisions/monitors (up to 65") and the manual crank over-the-air TV antenna.

**17. DELUXE APPLIANCE COMPONENTS:** blender, carbon monoxide detector, central vacuum cleaning system, clothes dryer, clothes washer, dishwasher, external barbecue, food processor, freezer, ice maker, in-sink disposal, smoke detector and the trash compactor. Over the Door, Patio and Window Awnings: anemometer, cam lock, crank mechanism, motor, printed circuit board and the torsion springs.

**18. ELECTRIC LIFT BED COMPONENTS:** bearings, control panel, control switches, drive gears, drive shaft, electric motor, lift chains, limit switch, printed circuit board and the tracks.

**19. HYDRONIC FURNACE COMPONENTS:** air accumulator, compressor, control box, fan motor, fan motor bearings, fuel pressure regulator, fuel pump, heat exchanger, heating element, hour meter, igniter, L.P. solenoid, L.P. valve, main control switch, printed circuit board, tempering valve, thermostat and the water pump.

**20. LEVELING SYSTEM COMPONENTS (ELECTRIC/HYDRAULIC):** actuators, control box, control switches, cylinders, electric motor, electric switch, electric switch wiring harness, fittings, gear box, gears, hydraulic lines, motorized camper jacks, motorized landing gear, motorized stabilizer jacks, printed circuit board, pump, reservoir, sensors, solenoid valves and the worm gears.

**21. SLIDE OUT ROOMS/RAISED ROOF COMPONENTS (ELECTRIC/HYDRAULIC):** actuators, control box, control switches, cylinders, drive cables, electric motor, electric switch, electric switch wiring harness, fittings, gear box, gears, hydraulic lines, printed circuit board, pump, rams, reservoir, rollers, sensors, solenoid valves, topper awning springs, tracks and the worm gears.

**22. ULTRA ELECTRONIC HI-TECH/ENHANCED ELECTRICAL COMPONENTS:** LED lighting, light fixtures, light switches, solar panel charge controller, solar panels and the spot lights. Electronic Entrance: actuators, printed circuit board, servos, solenoids, touchpad and the transmitter. Electric Toilet: controller, electric slide valves, flush control switch, printed circuit board, pump motor, vacuum pump, water solenoid valve and the wiring harness. Global positioning system and the thermometer.

**23. SATELLITE SYSTEM COMPONENTS (FACTORY OR DEALER INSTALLED ONLY):** all parts of the satellite system except wiring.

**24. HEATED FLOOR COMPONENTS:** electric heating elements, sensors, thermostat, transformers and the wiring.

PLAN: EAGLE PLUS

This plan includes all coverage #'s 1-24 contained in Plan: Eagle Towable. Only listed parts are covered. **Please note:** option #25 consequential damage, option #26 Enhanced Wheel & Tire and option #27 Enhanced Service Calls are not included in Plan: Eagle Plus towable and must be purchased separately.

PLAN: EAGLE GUARDIAN

This plan is our exclusionary coverage. Plan: Eagle Guardian Towable provides coverage for virtually all factory approved and factory or dealer installed electrical, electronic, hydraulic and/or mechanical parts essential to the operation of your vehicle. **Please note:** option #25 Consequential Damage, option #26 Enhanced Wheel & Tire and option #27 Enhanced Service Calls are not included in Plan: Eagle Guardian Towable and must be purchased separately.

OPTIONAL COVERAGE FOR PLAN: EAGLE, PLAN: EAGLE PLUS & PLAN: EAGLE GUARDIAN

**25. CONSEQUENTIAL DAMAGE:** coverage for the following parts if damaged due to an authorized breakdown: batteries, belts, exhaust and emission systems, filters, fuses, glass lenses, hoses, light bulbs, safety restraint systems, sealed beams, spark plugs, spark plug wires, intelligent cruise control systems and the wiper blades. (Not included in Plan: Eagle, Plan: Eagle Plus or Plan: Eagle Guardian, unless this option is purchased.)

**26. ENHANCED WHEEL & TIRE (NEW VEHICLES ONLY):** provides coverage for damages to your vehicle's wheels and/or tires caused by a road hazard while travelling on a public roadway. Road hazards are defined as glass, nails or potholes and other objects or conditions which should otherwise not exist that puncture or damage a tire. Minimum tread depth required to qualify for coverage under this optional provision is 1/16<sup>th</sup> of an inch. (Not included in Plan: Eagle, Plan: Eagle Plus or Plan: Eagle Guardian, unless this option is purchased.)

**27. ENHANCED SERVICE CALLS:** in the event of an authorized breakdown, we will reimburse you for actual expenses up to \$250.00 (in addition to the repair costs) for an on-site service call performed by a licensed service provider. (Not included in Plan: Eagle, Plan: Eagle Plus or Plan: Eagle Guardian, unless this option is purchased. Cannot be combined with the Emergency Service Calls benefit.)

PLAN: EAGLE INFINITY

This timeless plan delivers to you the coverage provided by Plan: Eagle Guardian Towable. Further, this plan has no expiration date. Also included in Plan: Eagle Infinity Towable are option #25 Consequential Damage, option #26 Enhanced Wheel & Tire and option #27 Enhanced Service Calls. **Please note:** all repair costs in total during the term of this contract is the fair market value of the vehicle immediately prior to the breakdown.

BENEFITS

**SENIOR CITIZEN/MILITARY ADVANTAGE (NOT AVAILABLE IN FLORIDA):**  
25% reduction of your deductible for each.

**DEDUCTIBLE REDUCTION (NOT AVAILABLE IN FLORIDA):**  
A 50% reduction of your deductible for repairs being performed at the dealer/seller.

**MANUFACTURER'S DEDUCTIBLE:**  
Up to \$100 towards your manufacturer's deductible for repairs that would otherwise be covered under our Service Contract.

**PET BENEFIT:**  
Up to \$300 for pet assistance.

**WINTERIZATION BENEFIT:**  
Up to \$125 for winterization services.

**FOOD SPOILAGE:**  
Up to \$150 for food spoilage.

**EMERGENCY SERVICE CALLS:**  
\$125 for an on-site service call if breakdown renders the vehicle immobile.

**ROADSIDE ASSISTANCE/FLUID/LOCKOUT:**  
\$500 for battery jump, flat tire, fluid delivery and lockout.

**TOWING:**  
\$1,000 for towing.

**TRIP INTERRUPTION:**  
\$150 per day for meals/lodging expenses.
