

WHY

- 100% 60 Day Money Back Guarantee •
 - Increased Resale Value •
- Avoid Costly Inflationary Parts & Labor Charges •
 - Repair Cost Paid Immediately •
- Coverage Up To 7 Years on a New Vehicle •
- Coverage Up To 3 Years on a Used Vehicle •
 - 24 Hour Toll Free Claims Assistance •
 - 24 Hour E-Mail Claims Assistance •
- Cancellable, Transferable and Renewable •

Comprehensive Coverage

Nationwide Toll Free / E-Mail
Claims Assistance

PLAN: EAGLE

ENGINE (Gasoline/Electric): camshaft, camshaft bearings, connecting rods, connecting rod bearings, crankshaft, crankshaft bearings, cylinder block, cylinder head, engine mounts, engine output shaft, exhaust manifold, head studs, intake manifold, lifters, oil dipstick, oil pump, pistons, piston rings, push rods, rocker arms, rocker arm shafts, rocker boxes, timing belt, timing chain, timing gears, valves, valve covers, valve guides, valve keepers, valve seats, valve springs, valve retainers and the wrist pins. Electric Drive Motor Components: charging jack, control module, electric motor (72v or less) and the electronic throttle control.

TRANSMISSION: counter shaft, gears, input shaft, output shaft and the transmission case. Excludes the clutch assembly.

BATTERY CHARGER: capacitor, charger plug, charger receptacle, diodes, timer and the transformer.

BRAKE: adjusters, backing plates, brake fluid reservoir, brake lines, cables, clevis pins, disc brake calipers, hill brake components, linkage, master cylinder, pedal assembly, springs, turn buckles and the wheel cylinders.

ADA SEATING: accelerator, seat and the seat tracks. Brake hand controls: cables and the linkage.

CHARGING SYSTEM: alternator, generator and the voltage regulator.

DIFFERENTIAL AND TRANS AXLE: axle bearings, axle shafts, carrier bearings, companion flange, gears, hub bearings, pinion bearings, rear axle housing, side gears, spider gears, ring and pinion, universal joints and the wheel bearings.

FACTORY INSTALLED GAUGE (Mechanical and Electrical): amperage gauge, fuel gauge, fuel gauge sending unit, fuel gauge sensors, gear indicator, gear indicator sensor, oil level sensors, oil level warning lights and horns, oil pressure gauge, oil pressure sending unit, speedometer, speedometer sensor, tachometer, tachometer sensor, temperature gauge, temperature sending unit, temperature sensors and the volt gauge.

FINAL DRIVE: drive shaft, universal joints and the yokes.

FUEL SYSTEM (Gasoline Only): carburetor, electric choke, fuel injector control module, fuel injectors, fuel lines (metal only), fuel pump, petcock, sensors, tank sending unit and the fuel tank.

HI-TECH ELECTRONICS: on board computer and the solid state speed controller.

LIGHTING AND ELECTRICAL: coils, electronic ignition control module, horn, horn relay, ignition pick-up, light switch wiring harness, magneto, manual switches, rectifier, relays, reverse switch, sensors, starter generator, starter motor, starter motor solenoid, turn signal flasher module and the wiper motor.

STEERING: center link, rack and pinion, steering box, steering shaft, steering tube, steering wheel and the tie rod ends.

SUSPENSION: A-arm pivot bolt sleeve, ball joints, front fork tubes, front wheel bearings, front wheel hubs, king pins, king pin bushings, lower control arms, rear wheel bearings, rear wheel hub, spindle, swing arm, swing arm bearings, swing arm bushings, swing arm shaft and the upper control arms.

TORQUE CONVERTOR: covers, sheaves, springs and the weights.

SEALS & GASKETS (New Vehicles Only): crankcase cover gasket, crankcase gasket, cylinder gasket, engine shaft seals, flywheel seal, gas cap washer, head gaskets, head gasket o-rings, intake manifold gaskets, intake port gasket, main gearbox gasket, oil pump gasket, output shaft seal, primary cover gaskets, shifter shaft seal, transmission housing gasket and the valve cover gaskets.

OPTIONS

SEALS & GASKETS (Used Vehicles, 4-Stroke Engines Only): crankcase cover gasket, crankcase gasket, cylinder gasket, engine shaft seals, flywheel seal, gas cap washer, head gaskets, head gasket o-rings, intake manifold gaskets, intake port gasket, main gearbox gasket, oil pump gasket, output shaft seal, primary cover gaskets, shifter shaft seal, transmission housing gasket and the valve cover gaskets.

AUDIO (Factory/Dealer Installed Only): in-dash AM/FM head unit, with cassette deck and/or CD player.

COOLING SYSTEM: coolant fan, coolant fan motor, coolant pump, inner water pump seal, outer water pump seal, radiator, sensors, thermal switch and the water pump gasket.

DIESEL ENGINE: all parts in Plan: Eagle #1 (Engine Components) and the mechanical diesel fuel pump.

HYDRAULIC: hydraulic drive motors, hydraulic pumps, hydraulic track motors and the hydraulic wheel motors. The hydraulic internal parts contained in the transmission case. The case is covered if damaged from internal covered parts. The hydraulic parts contained within the final drive housing and the housing is covered if damaged from internal covered parts.

TURBOCHARGER, INTERCOOLER AND WASTE GATE (Factory Installed Only): bearings, bushings, impellers, impeller shaft, turbocharger housing, intercooler and the waste gate.

BENEFITS

MANUFACTURER'S WARRANTY DEDUCTIBLE for a Part replaced under the manufacturer's warranty, we will reimburse you 50% of the manufacturer's deductible paid by you.

SENIOR CITIZEN – DEDUCTIBLE: a 25% reduction of your deductible.

TOWING/PICK-UP: reasonable towing/pick-up charges up to \$35.00.
